

Dear Valued clients

I have been very remiss in not writing to you sooner, it's been a really busy year and without my right hand (Margaret) there seems to be not enough hours in the day.

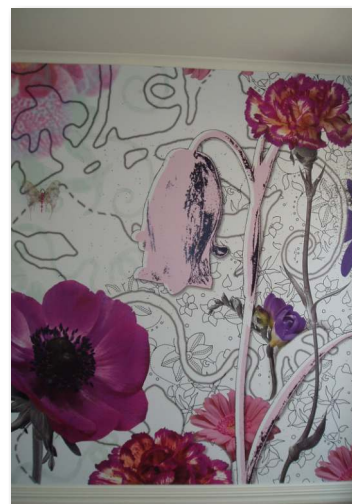

Wanaka Lodge

One of the projects I am very proud of is a luxury lodge in Wanaka. My inspiration was the spectacular Wanaka landscape with the rich warm colours. I supplied and selected the furniture, bed heads, bedspreads and light shades. Below are some of the photos of this lodge

Wallpaper murals

I have also redecorated my office with a large floral mural. I love these large scale wallpaper murals they give rooms a different perspective. They add colour and interest to many types of rooms. I have used them in cafe's, gym's and clothing shops. Murals can also be used in Children's bedrooms, offices, bedrooms and dining rooms. Come in and have a browse through the design book.

Thought for the day:

Creativity is seeing what everyone else has seen and thinking what no one else has thought.
