CHRISTMAS 2017

Zinc Teatro

Merry Christmas

Long, lazy summer days are ahead of us, with AI fresco dining, reading on the sun lounge and spending quality time with loved ones.

I want to thank you to all for your continued support throughout 2017;

I thoroughly cherish spending time with you, sharing your dreams of creating beautiful and timeless spaces that your will enjoy for years to come.

I am looking forward having some time off over the summer break to go tramping, read to my heart's content, and enjoy my garden with family and friends. I will be closing the studio on the 20th of December and re-opening on Monday the 15th of January 2018.

I wish you all a safe, peaceful and happy Christmas and a wonderful 2018.

Thought of the day:

The creation of something new is not accomplished by the intellect but by the play instinct acting from inner necessity. The creative mind plays with the objects it loves.
